ADVANCED TECHNOLOGY

INTERNATIONAL PROSTHETICS & ORTHOTICS PUTS OUR PATIENTS FIRST.

WE ARE COMMITTED TO PROVIDING QUALITY PROSTHETIC PRODUCTS AND SERVICES TO RESTORE FUNCTION AND PERMIT NORMAL MOTION.

What Makes Us Different

Working closely with patients, International Prosthetics employs the latest biomechanical management, materials, and technology to restore function and permit normal motion among amputees. Things happen when living our lives, we must rise everytime we fall. Our team was assembled with this in mind. We will listen to your needs. We will provide you with the tools. We will inspire you. We will be there for you.

"I am very fortunate to have seen so many patients achieve things they never thought possible because of something I designed"

Eric Schatz Owner and CEO International Prosthetic & Orthotics
